EXPLORE the Doghide and North End Trails!

Several kms of all-weather walking, jogging and cycling trails along the Doghide River and the Off Leash Dog Park are a must see!

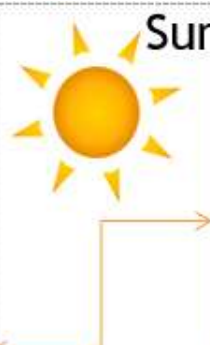

The Doghide Trail system was incorporated within the wooded area of the Kinsmen McKay Park and runs along several sections of the riverbank. The trail features a natural wetland with the trout pond, an observation deck and Boardwalk and a beautiful gazebo that overlooks the river.

The north end trail system allows the general public including dog owners to utilize the trail to access our Off-Leash Dog Park or to enjoy a leisurely walk or bike ride in another neighborhood in our community.

All outdoor fires are strictly prohibited until further notice.

This includes:

- Open fires in fire pits or burning barrels
- Controlled burns
- Fireworks

Summer is HERE!
