

**TOWN OF TISDALE
PUBLIC NOTICE
2025 BORROWING BYLAW**

As per the requirements of Town of Tisdale Bylaw #21/05, otherwise known as the Public Notice Bylaw, Section 3(e), public notice is required to be given at least seven clear days before the topic of borrowing money, lending money or guaranteeing the repayment of a loan is discussed at a Council Meeting.

Please be advised that the Council for the Town of Tisdale will be putting forth Bylaw #4/25, otherwise known as the Borrowing Bylaw, at the regular meeting of Town Council that will take place on Monday, March 24, 2025. The meeting begins at 7:00 PM and is held in the Salopian Room located at the RECplex, 800 101st Street, Tisdale, Saskatchewan.

Bylaw #4/25 allows Council, through the Mayor and Chief Administrative Officer, to access up to \$250,000 to be used for Town purposes. This bylaw is implemented on a yearly basis and is used to create a "line of credit" which has historically been used to shore up funds, at the beginning of the financial year, before the property tax levy is issued.

Issued at the Town of Tisdale this 12th day of March, 2025.

Lovely Jane Magnaye, RMA
Chief Administrative Officer
